Dear Sir/Madam,

REF: Recommendation for Victor Nzyoka MUTUNGA (Reg. No.: C025-01-0940/2021)

This is to certify that Victor Nzyoka Mutunga is a student of Dedan Kimathi University of Technology pursuing a Degree in Information Technology. As a Curriculum requirement our students are required to undertake industrial attachment for a period of not less than eight weeks.

He is seeking attachment in your organization from September 2024 to November 2024 in order to gain work experience. As a university we are committed to supporting our students during the attachment period and for this case his insurance will be processed by the university as soon as he confirms his attachment placement. I have known Victor as an effective, responsible, self-motivated, highly dependable and trustworthy individual.

I highly recommend him for an industrial attachment opportunity in your organization.

Yours faithfully,

For Dr. Kinyua Gikunda – Chairman, Department of IT
